The Los Angeles Convention Center Closed 2007-08 Fiscal Year With One of Its Busiest June Month’s Ever

Los Angeles, CA -- July 1, 2008 – The Los Angeles Convention Center claimed one of its busiest June months ever as it closed its fiscal year with over 40 events hosted on-site. As part of its commitment to be a premiere leader in customer service and hospitality, the Los Angeles Convention Center welcomed the challenge once again by supporting the ebb and flow of many events taking place one after the other or simultaneously.

Along with 3 LA Inc. booked events, 3 Filmings, and 1 Food Banquet, following are some of the highlighted client events that were hosted this past month of June:

32nd Home Remodeling Show
Association of Women’s Health
BizBash L.A. Event
Book Expo America

BrideWorld
Dwell on Design Expo
LA Trade Tech Graduation
Legal Tech

Milky Way Hair Competition
Rotary International
Somebody Loves You
World Peace for Life

“We proudly serviced the utilization of 88.5% of our available total function space in the month of June while continuing to represent the best of Los Angeles,” stated Pouria Abbassi, P.E., CEO & General Manager of the Los Angeles Convention Center.

The new 2008-09 fiscal year promises to bring many new booking opportunities at all levels. With the advent of the L.A. Live completion and the Ritz Carleton Hotel underway next door, the Los Angeles Convention Center is set and ready to service the needs to the millions that will walk through its emerald green glass towers.

About the Los Angeles Convention Center (LACC)

The Los Angeles Convention Center (LACC) is one of the most technologically advanced convention and exhibition centers in the world. LACC attracts over 2.5 million annual visitors and is renowned internationally as a prime site for conventions, trade shows and exhibitions. With its towering emerald architectural design, the LACC is a well recognized Los Angeles landmark. An integral economic component to the Southern California area, total sales from client secondary spending tops \$1.1 billion annually, generating and sustaining over 12,000 local jobs. LACC is a model environmental-friendly facility. Its solar panels are capable of meeting the electricity needs of an estimated 100 homes, and it’s recycling, energy efficiency, and water conservation programs help to conserve the environment. LACC is enrolled in the Los Angeles Department of Water and Power’s (LADWP) Green Power Program (environmentally-friendly renewable energy resources such as hydroelectric, geothermal, solar, biomass, and wind energy) at a level of 30% of the facilities consumption. The Los Angeles Convention Center is registered with the United States Green Building Council (USGBC) as a member of the Los Angeles and National Chapter. The Los Angeles Convention Center is currently undergoing a program to obtain its LEED-EB certification. LACC is also a proud recipient of prestigious industry awards including several Planner’s Choice Awards presented by Meeting News magazine, multiple Prime Site Awards from the Facilities and Destinations magazine, and recognition for model emergency care programs.
